Box Official Draftsman  
Drawing Review Branch  
Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

This Amendment is submitted in order to correct the numbering of elements in Figures 19, 22C, 22D and 22E for the above-referenced application. These changes were made to correct for obvious typographical errors and are fully supported in the application as filed. Submitted herewith is a copy of the figures with the proposed changes made in red ink. Applicants request that the corrected Figures 19, 22C, 22D and 22E be entered in the application upon approval. No new matter has been added.

Accompanying this Amendment is a Submission of Formal Drawings which reflects the proposed changes made to Figures 19, 22C, 22D and 22E in anticipation of approval of the changes.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 509152000500. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,

Dated: January 15, 2002
